Re: Withdrawal of October 23, 2014 State
Implementation Plan Submittal regarding
Commissioner's Order #2014-01, Jeffboat

Dear Mr. Kaplan:

The State of Indiana is requesting withdrawal of the October 23, 2014, state implementation plan (SIP) submittal regarding alternative reasonably available control technology (RACT) requirements pursuant to 326 IAC 8-1-5 for Jeffboat (Commissioner's Order #2014-01). Jeffboat is subject to 326 IAC 8-12-4 (Shipbuilding or Ship Repair Operations in Clark, Floyd, Lake, and Porter Counties). SIP approval for alternative RACT requirements are no longer needed as U.S. EPA has recently taken action on amendments to 326 IAC 8-12-4 revising the volatile organic compound (VOC) limit for antifoulant coatings.

If you have any questions regarding this submittal, please contact Susan Bem, Chief, Air Quality Planning Section, Office of Air Quality, at (317) 233-5697 or sbem@idem.in.gov.

Sincerely,

Keith Baugues
Assistance Commissioner
Office of Air Quality
